

Big Sur Charter School's Annual Mental Health Notice

Big Sur Charter School is committed to ensuring that all students are healthy, safe, engaged, challenged and supported. We know that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, school violence, and even suicide.

To make certain each child's mental health needs are addressed please contact the office at 831-324-4573 to discuss what options are available to you and your family.
